HATTORI-  
SENSEI  
BECAME HIS  
SUBSTITUTE.

THE  
ADVISOR,  
DOKUMI-  
SENSEI  
SPUNDED  
HIS BACK.

NOW  
THAT I  
REMEMBER,  
SPEAKING  
OF THE  
CLUB

WHAT'S  
THIS  
ABOUT?

HATTORI-  
SENSEI  
IS THE  
ENGLISH  
TEACHER,  
RIGHT?

It's  
ACTUAL-  
LY...

TEHSAKI,  
WHAT  
HAPPENED  
BETWEEN  
YOU AND

Oh, she had a long flight before this morning, huh...

Wow, she works an international flight? She must be first-class then!

The air hostess will be coming!

More importantly, the group date! The group date!

It's fine! I've already ended the Judo Club's practise!

I beg of you...

Hot-tent-cot!

What?

If I remember, you have a supplementary test for your English mid-term, right?

— tō-goku

It's... It's the last competition...

Please... let me continue practise!

What?  
!!

I can't  
let you  
enter the  
competi-  
tion.

If you  
don't score  
above 80  
in that,

"Accompli-  
shed in both  
study and  
sports".

The motto  
of our  
school is...

There's  
nothing I  
can do.

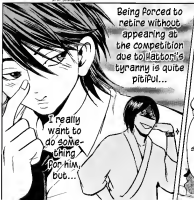

HATTORI-  
SENSEI...  
HE'S SO  
MEAN!

NOW...  
THAT'S

SPE: SUCCESS

SPR. TWICE

SPR. THREE

LOOK HERE, YOU'VE BEEN CAUGHT CHEATING, SO YOU'RE OUT BEFORE THE TEST EVER STARTS, RIGHT?

SFX: SLICKING

WELL, I'VE GOT

A BETTER TECHNIQUE THAN THAT!

It's a technique that involves both of us!

Suppose  
wanting  
to read  
comic

THE SCIENCE

Because these problems, even though they're multiple-choice, are the same level as the entrance exam of the hardest high school in the prefecture!

...AND EVERYONE'S PROBLEM, UNABLE TO SOLVE EVEN ONE PROBLEM.

WELL, IT'S ONLY TO BE EXPECTED.

Even I can combine the activities of the Judo Club with the excuse of having been forced on academic scholarship. Plus, I can stop advising them.

If the captain of the Judo Club, Takigaki, finds the excuse,

with hanging out with the Judo Club which needs a lot of money.

I'm already ped up

Oh

SFX: SCRATCH

SFX: TWITCH...

Well,  
these are  
multiple-  
choice....

so they  
might  
get some  
right by  
guess-  
work.

THE  
CORRECT  
ANS-  
WERS?

Th-  
they're all  
answering  
at once!?

Again?!

Don't tell  
me, these  
guys...

are all  
cheating  
toge-  
ther?

Wait,  
wait...

He's  
got the  
correct  
answer  
again...

And  
there's no  
hint that  
they're  
cheating...

I did  
frisk them  
before  
the exam  
started...

But how  
exactly?

WHAT?

YOU'VE HEARD ABOUT IT, RIGHT? THE FACT THAT THERE ARE AUDIO FREQUENCIES ONLY DOGS AND CATS CAN HEAR.

The sound that played...

ONLY YOU TEEN-AGERS ARE ABLE TO HEAR IT!

using that high pitched sound.

So, I sent you guys the answers,

become hard to hear in the 20's, and cannot be heard by humans past their late 20's.

In case of humans too, any sounds above 17 kHz are out of hearing range.

OPF: DEEP DEEP DEEP DEEP

is like This sound is very different

But well, Roku actually gave all the answers...

SURE! DO YOUR BEST IN THE EXAM!

Awesome! Hachisuka-sensei, thanks so much!

THIS IS  
ONE OF THE  
INTERESTING  
PARTS OF  
BEING A  
TEACHER.

HATTORI-  
SENSEI,

to see  
our stu-  
dents  
make  
faces  
like  
that.

We're  
fortu-  
nate  
enough
